Dear Mr. Takamatsu:

We are very thankful for your kind donation of basketballs and t-shirts to the students here at Xavier High School. Our boys' and girls' basketball teams are about to start their season and were very appreciative of the new equipment.

Thank you for thinking of us and we hope to continue this good relationship with each other for many years to come. Your service greatly helps the people here in Chuuk.

Gratefully,

Ellen Derby
Principal
