Dear Mr. Takamatsu:

I take with pleasure this opportunity to express on behalf of the people and government of the FSM our sincere appreciation for your continued assistance and support to the well being of our people. We are indeed grateful for the donation of sport equipments (basketball and t-shirts) to the designated schools in our four States of the FSM. Your donation is of great significant because it coincides with the 20th anniversary of diplomatic relations between our two countries which we are celebrating this year. I can assure you that your contribution will go a long way, and indeed will have a positive implication in motivating our youths to be more involved in sport exchanges.

I am attaching a report on the handover ceremony in Chuuk, in which I personally witnessed along with the President and CEO of Transco Mr. Hashiguchi and other officials. Thank you very much once again.

With warm and personal regard, I remain,

Sincerely,
