TARAWA PORT SERVICE CHARGE INCREASE

Dear Valued Customer,

Since July 1st 2010, there has been a steady increase in charges levied on vessels calling at Tarawa in relation to labour at the Port. These increases have now reached a level where Greater Bali Hai can no longer absorb the associated costs.

Accordingly, we have been forced to increase our Port Service Charge, which will now be charged at the below rates:

- AUD \$150.00 per 20' Dry
- AUD \$150.00 per 20' Reefer
- AUD \$6.00 per R/T

Effective: Pacific Islander II Voyage 50 – ETD Kaohsiung **15th February 2011**
