Dear Valued Customer,

Guam New Regulation on Truck Weight Limits

Firstly, we would like to thank you for your support to our service.

This is to advise that effective 3rd July 2017, the Department of Public Works (DPW) has enforced new weight limits of trucks on Guam's roadways. Therefore, please kindly put correct container weight on document and notice it to consignee, and ask your consignee to confirm this new regulation.

Please feel free to contact us if you have any unclear things even though we reclaim announcing details as this regulation is on Guam local traffic law.

We appreciate your kind understanding and cooperation.

Yours Faithfully,

Kyowa Shipping Co.,Ltd.
