## **Announcement for new weekly direct service from Japan/South Korea/China to South Pacific Islands**

We, Kyowa Shipping, are pleased to inform the launch of a new product of weekly direct service from Japan, South Korea and China to South Pacific Islands starting from coming October.

With this new service, we can offer our valuable customers reliable and stable way to bring value to the South Pacific Islands with more frequency and flexibility.

Besides the direct ports in Japan, South Korea and China, quality service on basis of transshipment is available from South East Asia, Europe and India as well as Australia and New Zealand using a wide range of global network. We strongly believe this new service helps the customers control their logistics more efficiently.

### **Port of Call in new service**
